DATE:

Ans:- We should oil and comb our hair properly after taking bath.

5 How should we clean our tongue?

Ans:- We should clean our tongue with tongue cleaner every morning.

* Long answer type questions:

1. Why should we wash our face four - five times a day?

Ans:- We must take care of our face because disease causing germs affect the skin.

2. Why should we wash our hands and feet after playing?

Ans:- Because we come in contact with many disease causing germs during playing.
