

Class 3 I

Sub 3 Math

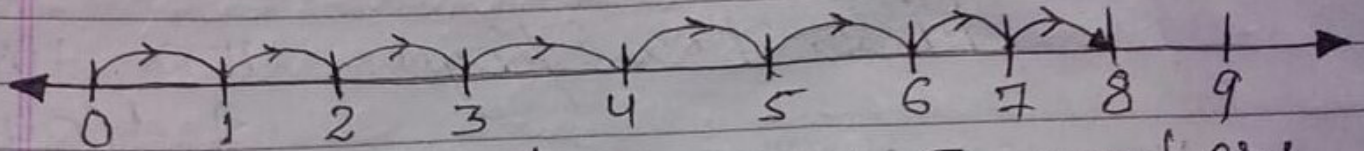

Pg no. 30

Chapter 3 3

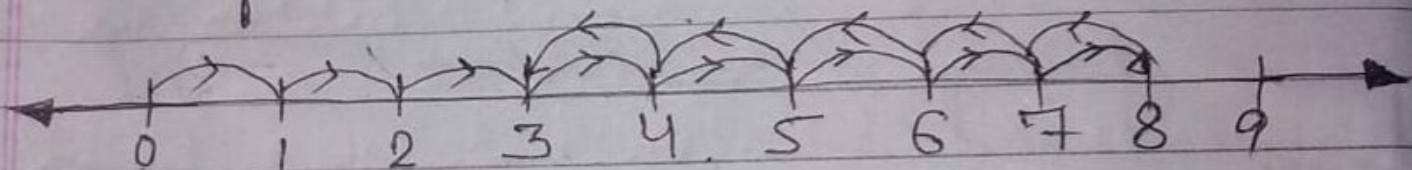

★ subtraction on number line

- We can also subtract with the help of number line.

Example: Subtract 5 from 8.
Start from 0. For 8, Jump 8 numbers ahead from 0.

Now, to subtract 5, Jump 5 numbers back from 8.

We are at 3.

So, $8 - 5 = 3$

Pg no. 31

★ Now, subtract these numbers on the number line.
