

daily life:-

- (i) Firstly, he can't stand or walk.
- (ii) He had to start everything from ~~the~~ sitting on his wheel chair like he had never done that before.
- (iii) Also, the boredom of not going out for many days were also affecting him a lot.

Q4. Does Brit's family really care for him?

Ans: Yes, Brit's family really care for him because when he broke his bone and have sleepless night because of pain then his parents also slept as an insomniac's envy and tried to make everything seems better and happy in front of Brit.

Q5:- Do it by yourself.
