Ans 3 According to Mrs Swans there's a problem, the new lake was too far for turtle to walk to it.

Ques 4 How did the turtle solve the problem?

Ans Turtle asked the swans. You can hold a strong stick in your beaks I will then hang on to the stick with my mouth, and you could fly with me to the new lake.

Ques 5 Why was the turtle so excited on the way?

Ans The turtle was excited on the way by looking at the world from so far above the ground.
