

Rule: (a) Round down numbers under 5
(b) Round up numbers 5 and greater.

Practice Time :- 5-3

QA. Round off the following numbers to the nearest 10: (watch ones place)

5. 98

Solu 98

8 is greater than 5.
So, $98 = 100$

6. 211

1 is less than 5.
So, $211 = 210$

QB. Round off the following numbers to the nearest 100: (watch tens place)

2. 378

Solu 7 is greater than 5
So, $378 = 400$

6. 2157

Solu $2157 = 2200$
