More On MS Paint

* Write answers the following —

Q1) What is a view tab?

Ans The view tab is central over showing guides, rules, and other layout tools, zooming the size of our view of the publication, and managing publisher windows we have open.

Q2) Write a few lines on the use of Full screen.

Ans It is used to view our picture on Full screen. The Fullscreen format is a display format that modifies the original pictures to fit the aspect ratio of our display.

Q3) Mention the options present in view menu.

Ans There are options of view menu —

i) Show or hide	(v) Status bars
ii) Rulers	(vi) Thumbnail
iii) Guidelines	(vii) Zoom in & Zoom out.
iv) Display
