class  $\Rightarrow$  I

### Subtraction

\* Subtracting ones from tens and ones  
let us subtract 7 from 89.

$\Rightarrow$  Step 1: First, we arrange the numbers vertically.

Tens	ones
8	9
-	7

$\Rightarrow$  Step 2: Now, we subtract ones

Tens	ones
8	9
-	7
	2

Step 3: Then, we write down tens digit as it is.

Tens	ones
8	9
-	7
8	2

So,  $89 - 7 = 82$ .
