Q. Write the following numbers in words on the basis of the 'Indian place value chart':

4) 14903335

Solu. 14,90,33,335

One crore forty nine lakh three thousand three hundred thirty five.

Q. Answer the following.

3) Two brothers built a house. One spent 10 lakhs and the other one million rupees. Who spent more?

Solu Two brothers built a house, one spent 10 lakh = 10,00,000

Other spent 1 million = 1,000,000.

(1 million = 10 lakhs)

So, Both were equally spent.
